

# BetterClinics

A RECKON PRODUCT 

## Practice management software for health and fitness professionals

From scheduling to managing your finances - you can do it all on a single online platform

# Who is Better Clinics for?

Better Clinics, a product of Reckon is specifically designed to help allied health, fitness and wellness professionals manage and streamline their practice. It combines scheduling, finances, marketing and client & staff management in a single platform - ideal for your chiropractor, physio, personal trainer and studio owner clients.

Pricing starts from

\$19

per month

making it perfect for any sized health and fitness business.

## Key features your clients will love

### Appointment scheduling & online booking

Powerful scheduling software that streamlines operations with automatic appointment reminders and 24/7 online booking.

### Customer management

A secure, central database including client contact details, documents and appointment notes so they're prepared for every appointment.

### Accounts & finances

Record payments, create invoices and track expenses on the go. Generate 40+ reports or view the dashboard for a real-time snapshot of income and sales.

### Marketing

Communicate with clients via SMS or email with a special offer or to keep in touch between appointments. Connect to email marketing platforms like MailChimp.

### Team management

Manage multiple practitioners, different services and pricing with ease. Set-up multiple logins with individual access permissions so they can control who sees what.
